

## BIG IDEAS WEEKLY

In these challenging times, we want to take a minute to remind you that your mentees still need you, probably now more than ever.

The reality of our situation, coupled with the news coming from all part of the world, and the isolation that we find ourselves in, means that human connection, support and fun are more important than ever. We encourage you to continue to connect weekly with your Little Brother or Little Sister and to continue to explore new ways to have fun despite social distancing. Big Brothers Big Sisters of Halton and Hamilton will send you a weekly newsletter promoting some ideas that may help to keep you connected. We would encourage all friendships to submit their own ideas and stories of their attempts at virtual fun, so that other friendships may benefit from them...

## RIDDLES

Here are some riddles, see how many of these you can solve together.

We will announce the answers in next week's activity newsletter.

1. A man is pushing his car along the road when he comes to a hotel. He shouts, 'I'm bankrupt.' Why?
2. What starts with T and ends with T and has T in it?
3. What has four wheels and flies?
4. I am a word of 5 letters and people eat me. If you remove the first letter, I become a form of energy. Remove the first two letters and I am needed to live. Scramble the last 3 letters and you can drink me. What am I?
5. A man is sitting in his cabin in Michigan. Three hours later he gets out of his cabin in Texas. How is this possible?
6. I have an eye but I am blind, a sea but no water; a bee but no honey, tea but no coffee and a why but no answer. What am I?
7. What has cities, but no houses; forests but no trees; and water, but no fish?
