WE ARE BIGGER TOGETHER

GOLF FOR KIDS' SAKE

WE HAVE **KEPT OUR MOST VULNERABLE YOUNG PEOPLE
CONNECTED** THROUGHOUT THE PANDEMIC:

We recently conducted a research study that found youth who are in regular contact with a mentor during the pandemic are doing better.

Locally, we provided 1:1 and group mentoring to over 2,000 young people.

We've kept our young people engaged virtually with academic, social and/or emotional support.

We've developed new, innovative programming - *All of our programs now have virtual options.*

We offer the highest quality of mentorship to young people in schools and in our local communities.

SUCCESS INDICATORS

We empower young people to build essential life skills:

- Succeed in school/graduate high-school
- Overcome adversity/resist dangerous lifestyles
- Maintain good physical and mental health

OUR ULTIMATE IMPACT

We build thriving communities by empowering lives through mentorship.

Our Vision is that all young people will realize their full potential.

Little Brother Ben*
